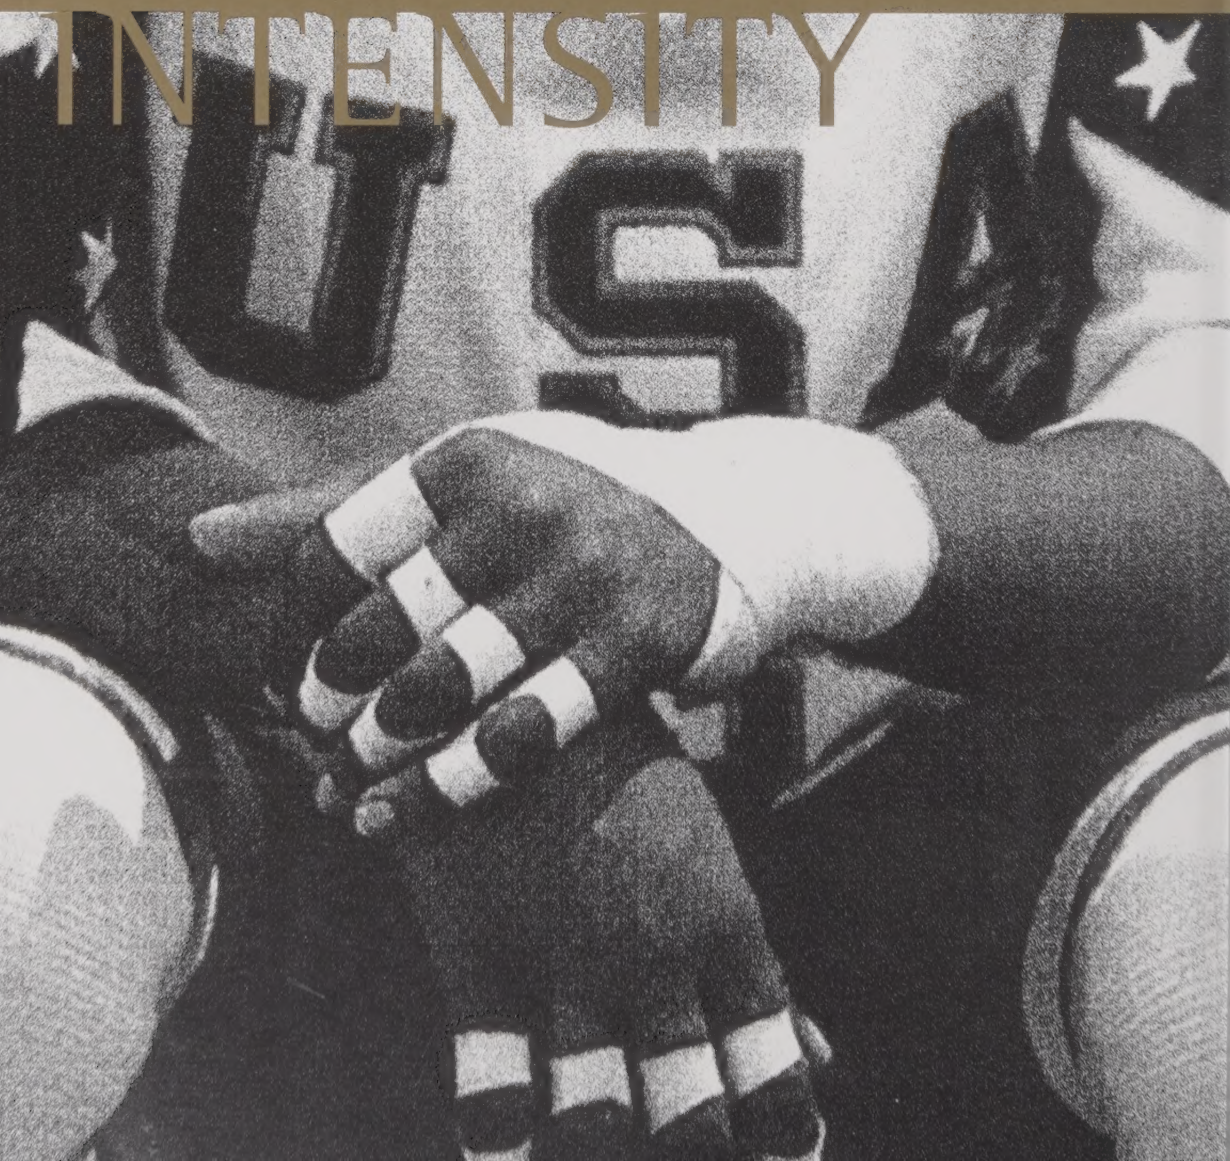
HOLD THE MOMENT FOREVER

THE 1996 ATLANTA CENTENNIAL OLYMPIC GAMES REPRESENT A UNIQUE TIME IN HISTORY. IN RECOGNITION OF THIS ONCE-IN-A-LIFETIME EVENT, THE U.S. MINT HAS CREATED A SERIES OF 16 UNFORGETTABLE COINS.



DEPARTMENT OF THE TREASURY
UNITED STATES MINT

Dear Michael Zerbini:

If any occasion deserves to be commemorated, it is the centennial celebration of the Modern Olympic Games, which will open in Atlanta, Georgia in only a few days.

The United States Mint is proud to announce that we will honor this historic Olympic event with unique gold, silver and cupronickel coins, coin sets and accessories.

All of the items you see in this catalog were created exclusively by the U.S. Mint to capture the spirit, pageantry and pursuit of excellence that are the Olympic Games.

Of course, Olympic coins are great collectibles. But if you'd like to display your Olympic spirit in a more public fashion, our pendants, money clips and key chains are a tasteful, functional way to show your Olympic pride. These items are quite affordable and ideal for gift giving.

Remember, too, that a portion of all proceeds from the sale of Olympic coin items in this catalog will be used to help train American Olympians and to continue our never-ending quest for Olympic Gold.

Sincerely,

Philip N. Diehl
Director, United States Mint

P.S. For a limited time, the 1996 Prestige Set is being offered at pre-issue pricing. Please see page 13 for complete details. Also, in this catalog are the Olympic Coin Series Cash cards featuring Olympic Coins. There are four different cards to collect! You will find them on the insert in the center of the catalog.
